Scholarship coverage:

Type A: Tuition fee, Waiver partial on campus accommodation (pay RMB1500/year), Living allowance (RMB3000/month)

Available Majors:

1. Mechanical Manufacture and Automation
2. Mechatronic Engineering
3. Mechanical Design and Theory
4. Vehicle Engineering
5. Industrial Engineering
6. Material Physics and Chemistry
7. Material Science
8. Material Processing Engineering
9. Chemical Engineering
10. Chemical Process
11. Applied Chemistry
12. Industrial Catalyze
13. Optical Engineering
14. Communication and Information System
15. Computer Science and Technology
16. Computer System Structure
17. Computer Software and Theory
18. Computer Application Technology
19. Intelligent computing and system
20. International Trade
21. Fluid Mechanics
22. Engineering Mechanics
23. Engineering Thermos physics
24. Thermal Power Engineering
25. Refrigeration and Cryogenic Engineering

26. New Energy Science and Engineering
27. Heat, Gas Supply, Ventilation and Air-conditioning Engineering
28. Control Theory and Control Engineering
29. Testing Technology and Automation Devices
30. Systems Engineering
31. Navigation, Guide and Control
32. Physics
33. Theoretical Physics
34. Atom and Molecule Physics
35. Plasma Physics
36. Condensed Matter Physics
37. Acoustics
38. Optics
39. Civil Engineering
40. English Language & Literature
41. Foreign Linguistics & Applied Linguistics
42. Material Physics and Chemistry
43. Material Science
44. Material Processing Engineering
45. Biology Chemistry
46. Environmental Engineering
47. Mathematics
48. Fundamental Mathematics
49. Computing Mathematics
50. Probability Theory and Mathematical Statistics
51. Applied Mathematics
52. Operational Research and Cybernetics
53. Statistics

NOTE: Marks Requirements: 3.00 (no fail in any subject)

**Total charges are 1800\$ in two different steps. With documents 300\$
At admission confirmation 1500\$.**

Available Majors:

1. Forest genetics and tree breeding
2. Silviculture
3. Forest protection
4. Forest management
5. Wildlife protection and utilization
6. Ornamental plants and horticulture science
7. Water and soil conservation and desertification control
8. Chemical engineering
9. Chemical technology
10. Bio-chemical engineering
11. Applied chemistry
12. Chemical processing engineering of forest products
13. Science and technology of biomass energy
14. Mechanical engineering
15. Power engineering and engineering thermal physics
16. Control science and engineering
17. Materials science and engineering
18. Wood science and technology
19. Wood processing equipment and information
20. Applied economics
21. Management science and engineering
22. Business administration
23. Agricultural and forestry economics and management
24. Forest engineering
25. Rock and soil engineering
26. Structural engineering
27. Municipal engineering
28. Disaster prevention and reduction engineering
29. Bridge and tunnel engineering
30. Civil surveying and information technology
31. Road and rail engineering
32. Electronic science and technology
33. Control science and engineering

34. Computer science and technology
35. Urban and rural planning
36. Landscape architecture
37. Materials science and engineering
38. Chemistry
39. Design science
40. Furniture design and engineering
41. Food science and engineering
42. Pulp and paper-making technology
43. Fermentation engineering
44. Printing and packing engineering
45. Traffic information engineering and control
46. Transport planning and management
47. Vehicle application engineering
48. Botany
49. Zoology
50. Microbiology
51. Genetics
52. Cell biology
53. Bio-chemistry and molecular biology
54. Ecology
55. Environmental science
56. Environmental engineering

**Total charges are 1450\$ in two different steps. With documents 300\$
At admission confirmation 1150\$.**
